The full Masters of the World game was developed in 2013 in Simulation.n Masters of the World, also known as Geo-Political Simulator 3, is the third. All game events take place in 2017. It is an online game, with a focus on conflict management, as well as opening ceremonies, discoveries, sieges, and battles. The game has the ability to play for one or two teams. The main goal of this game is to manage the conflict between two areas: the Arctic and Europe. The winners are awarded in the form of medals, team privileges in the form of the ability to unlimitedly increase the level of their team, as well as the ability to unlock various wonders on the battlefield (including in the form of 2 improved improvements for each team). There is also a group of VIPs, and strategic rights. PvP games cannot take place on the global map. "Masters of World" can be downloaded from the PlayStation Store and Google Play. Players must find and win rewards on an uninteresting world that contains global maps and in-game shops. The game differs from other games in the series due to the fact that it does not support guild membership, friend game bonuses are more limited, and the time required to complete daily tasks. Major event wins in "Mastered World" can be awarded in a variety of ways. Active roles and add-ons for the game:
